

Kieran K

Fitness model and competitive bodybuilder

Our Kieran K is rapidly carving out a name for himself in the elite, competitive bodybuilding scene in the UK. Can you see why? Hell, yeah! He looks amazing, trains in the gym every day and is an absolute asset to us here at Ripped Models. He is also genuinely lovely and will make any shoot or job he is involved with go smoothly - with a cheeky glint in his eye! He is perfect for underwear, jocks, sportsgear and general fashion modelling.

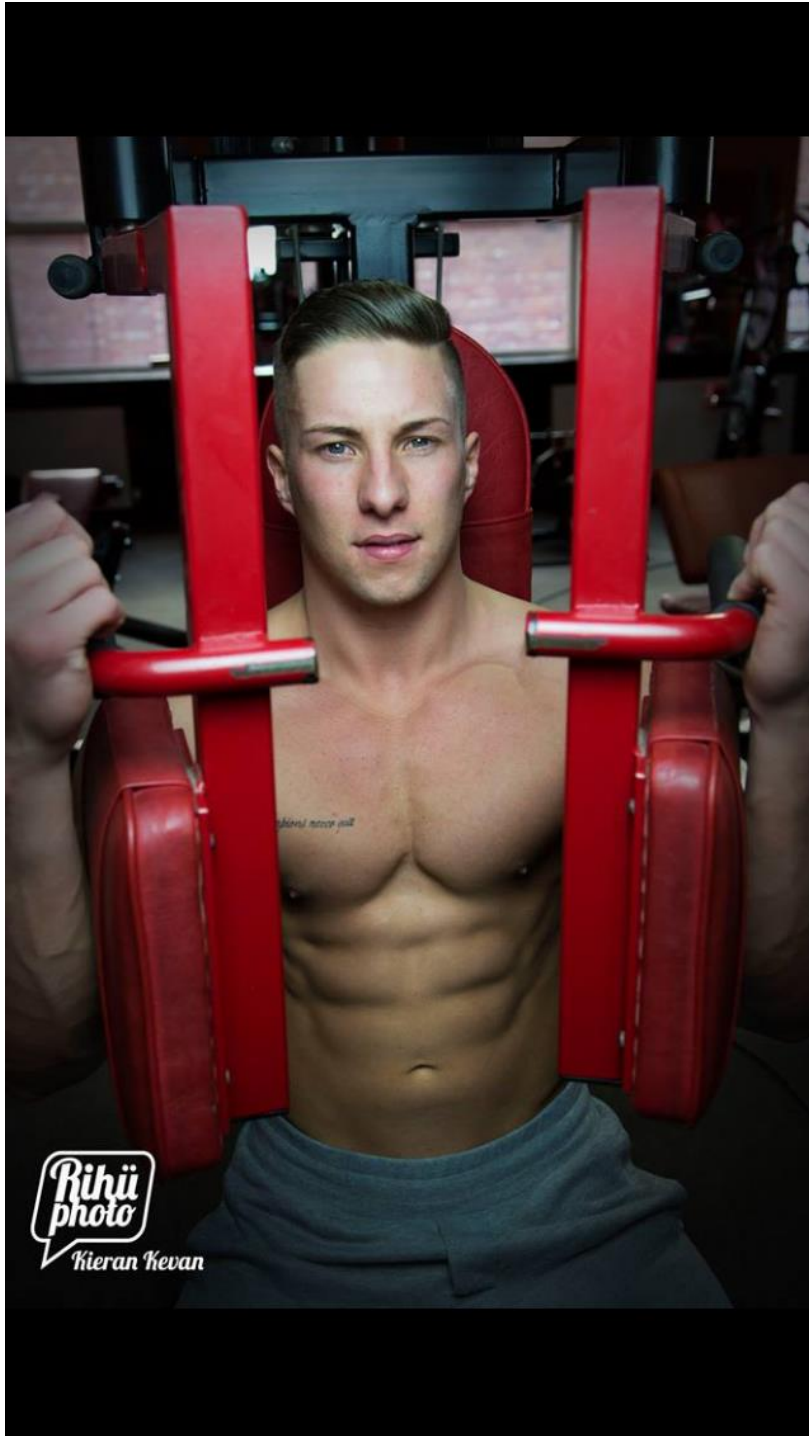

Height: 5' 11"

Weight: 82kg

Waist: 31 inches

Chest: 42 inches
