

Ivan P

Inked fitness and underwear model

What a combination – tattoos and muscle! Our Ivan's body art rests on a solid body that looks like it has been chipped from granite. He works out six days a week to keep on top form and we think his efforts are paying off brilliantly. Ivan is a great guy, very friendly and very professional and we know he will make your shoot go perfectly!

Height: 6ft

Weight: 95kg

Waist: 32 inches

Chest: 44 inches
