

Angel M

Fitness model, boxer and performer

Our Angel M is a professional boxer and has travelled the world representing the UK in more than 50 competitions. She is also a performer and has composed several albums which have been professionally released. And, recognise her from anywhere? She was in Big Brother UK in 2009, an experience she says she loved. However, although she has all these strings to her bow, her first love remains fitness and she is a true professional with an amazing body and fantastic attitude.
