

Nicolae M

Fitness and underwear model

Our Nicolae M first started getting interested in the gym when he was in his early teens – and in the last few years he has really ramped it up. We think his body is a perfect mix of aesthetics and muscle without being too bulky. We see him as perfect for general fashion and fitness labels.

RIPPEDMODELS.CO.UK

Height: 5ft 7"

Weight: 169 lb

Waist: 32 inches

Chest: 42 inches
