

## Tyler C

Fitness model

Tyler C has a great motto: Pain is only temporary.....Pride lasts forever! This is a motto she lives by after transforming her body since having her two children and now being a regular on the bodybuilding and bikini modelling circuit. She spends all of her time in the gym, the kitchen preparing healthy foods, practicing her posing practice and of course being a mum. We think she looks amazing and she comes highly recommended.

Height: 5' 6"
