

Chloe R

Sports & fitness model

Chloe R combines student life with working part time at her local gym as a receptionist - but she also knows her way round the gym floor itself. She trains there often seven days a week, mainly concentrating on weights but sometimes adding cardio, and is planning ahead to entering her first bikini competition. We think she will do brilliantly.

Height: 5ft 7"

Weight: 56 kg

Dress size: 6-8
