

**Milena M**  
Fitness model

RIPPEDMODELS.CO.UK

Our Milena has achieved success as a bikini competitor - we aren't surprised because she has an amazing, aesthetic body that is the result of some serious fitness and nutritional dedication. She has also started her own brand for stage bikinis too. Her passions are sport, art and design, in addition to fitness, and we think she will be an asset to any campaign you are thinking of.
