

**Adam C**  
Sports model

Our Adam splits his time between Glasgow and Chicago, where he is studying exercise science and competes as a Division One track athlete. He also holds two Scottish records in the 60m and 100m events and has competed in the youth commonwealth games in the Bahamas. We think Adam's body is testament to the hard work he puts in - toned, yet muscles - a perfect sportswear model.

Height: 5ft 10 inches

Weight: 72kg

Waist: 28 inches

Chest: 38 inches
