

Sipan P

Fitness and underwear model

Our Sipan competed in his first bodybuilding contest at the age of just 17, winning the first place for South East Britain and coming a very respectable 6th in the British finals. He lifts hard and heavy, resulting in the fine physique you see today. He also manages to find time to study just as hard, currently taking a gap-year from his Computer Science course.

Height: 1.73 m

Weight: 91kg

Waist: 29 inches

Chest: 44 inches
