

Bexi K
Fitness model

Our Bexi is a regular on the bikini fitness competition circuit, where she is already carving out a name for herself as a pro athlete in two federations. When she isn't on the stage, Bexi works as an online fitness coach, sports therapist, and mental wellness specialist, and to relax likes to do anything energetic, including the gym, bouldering, and roller skating. She is also a cheerleader and has been a cheerleading coach.
